SAFI DARASHAH, Esq, B A,
MUNICIPAL COMMISSIONER,
BANGALORE CITY.

TO

Syed Abdul Aleem, Esq., B.A,
Secretary to Government of Mysore,
Revenue Department, Bangalore.

SIR,

I have the honour to state that on the representation of the several gangmen of the Engineering Section of this Municipality, the Municipal Council at their meeting held on 19-12-1947 approved of the opinion of the Managing Committee dated 17-12-47 in the matter of extending the benefit of G O No L 16150-52/M1 11-46-147 dated 20-5-47 sanctioning sick leave, etc, to the Sweepers and Scavengers of this Municipality.

It may be stated in this connection that the Sweepers and Scavengers of this Municipality are being granted 15 days casual leave per year and 2 months sick leave with pay as per the G O under advertance, the Commissioner being authorised to grant sick leave with pay to a Sweeper or Scavenger upto the said period of two months,

As the number of gangmen is much less than the Sweepers and Scavengers the amount of expenditure involved would not be more than Rs 150/-to Rs 200/- per annum by the grant of such a concession and the same would be met out of the provision made for the pay of gangmen in the Municipal Budget

I request that in the above circumstances, sanction of Government may kindly be obtained to the above resolution of the Municipal Council, a copy of which is herewith enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servent,

Municipal Commissioner

With reference to your letter No L 12841 dated 26-1-1948 on the above subject, I have the honour to forward herewith a copy of letter No E2 P R 64/47 dated 4-3-1948 together with a statement showing the number of gangs working in the Engineering Section of this Municipality

2 The several queries raised in your letter under reply are answered as noted in the margin.

1	No of Gangs employed	Statement enclosed
2	Total Strength borne	307
3	Are their services treated as permanent	Treated as work-charged establishment
4	Is a similar concession shown in respect of gangs attached to the Health Section If not why	Yes They are borne on the nominal roll
5	Nature of work	Gangmen attend to works as repairs to roads, tarring roads, pitching lanes and bylanes, repairing drains forming and clearing footpaths The gangmen have to work in the hot sun and rain both in the morning and evening Their work cannot be compared with those of the sweepers and scavengers and the work of these being for limited hours during morning times and noon

2. There are 307 Gangmen as per above

3 Treated as work charged establishment,

4 The information may kindly be called for from the Health Office

5 The nature of the work turned out by the Gangmen is quite different from that of the Sweepers and scavengers The Gangmen are attending to works, such as, repairing roads, tarring roads, pitching lanes and bye-lanes, repairing the drains, forming and clearing the footpaths etc This job is a very tough They will have to work in the hot sun and rain from morning to evening The work of the gangmen of the Engineering Section cannot be compared with that of sweepers and scavengers

It is therefore requested that the privileges granted to the sweepers and scavengers may also be extended to the Gangmen of this section
